Notes:

- The above unaudited financial results for the quarter and nine months ended 31st December, 2021 have been reviewed by the Audit Committee and approved by Board of Directors at their meetings held on 11th February 2022. The statutory auditors have carried out a limited review of results for the quarter and nine months ended 31st December 2021.
- The above unaudited financial results have been prepared in accordance with the guidelines issued by the Securities and Exchange Board of India ("SEBI") and the Indian Accounting Standards [Ind AS] prescribed under section 133 of the Companies Act, 2013.
- There are no business activities in the Company in the current quarter, previous quarter as well as previous years and consequently there are no reportable segments under Ind AS 108 'Operating Segments'.
- The Company's business was dependent on the commencement of mining operation by its holding company. However, during the F.Y. 2014-15, the Hon'ble Supreme Court had passed an order cancelling coal block allocations of various companies including the holding company. Considering the aforesaid cancellation, the Company is looking for another business project. In view of no business operations, the Company has incurred loss on account of administrative and other expenses and its net worth has also become negative. Notwithstanding above, in the opinion of the management, fixed assets are sufficiently and substantially depreciated / amortized and hence no adjustment would be required to its carrying value. The Company has received commitment from holding company for giving the funds as and when required for payment of liabilities. Considering the same, the accounts are prepared on going concern. Attention has been drawn on these matters by statutory auditor in their limited review report on the unaudited financial results for the quarter and nine months ended 31st December, 2021. Further, reference in regards to material uncertainty related to going concern was also drawn by the statutory auditor in their limited review reports for the earlier quarters and in their audit reports of earlier financial years.

Limited Review Report on quarterly unaudited financial results of Foundry Fuel Products Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To

**The Board of Directors of
Foundry Fuel Products Limited**

1. We have reviewed the accompanying statement of unaudited financial results of **Foundry Fuel Products Limited** ('the Company') for the quarter and nine months ended 31st December 2021 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, which has been initialed by us for identification purpose.

Management's Responsibility

2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India.

Auditor's Responsibility

3. Our responsibility is to issue a report on this Statement based on our review.

We conducted our review of the Statement in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Conclusion

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards i.e. 'Ind AS' prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited Review Report on quarterly unaudited financial results of Foundry Fuel Products Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (continued...)

Material Uncertainty Related to Going Concern

5. We draw attention to Note 4 to the Statement in respect of the Company's business which was dependent on the commencement of mining operation by its holding company. However, during the F.Y. 2014-15, the Hon'ble Supreme Court had passed an order cancelling coal block allocations of various companies including the holding company. Considering the aforesaid cancellation, the Company is looking for another project. In view of no business operations, the Company has incurred loss on account of administrative and other expenses and its net worth has also become negative. Further, current liabilities are more than current assets as at current quarter end, previous quarters' end and previous years' end. Also, depreciable fixed assets have been fully depreciated in the previous year considering no significant recoverable value. The Company has received commitment from holding company for infusing the funds as and when required for any working capital requirements or any other shortfall that may arise due to the lack of operations in the Company. Considering the same, in the opinion of management, accounts are prepared on going concern.

Our conclusion is not modified in respect of this matter. In respect of this matter, attention was also drawn under (a) Emphasis of Matters in our reports for quarters ended 31st December 2014 to 31st March 2018 (b) Emphasis of Matters in audit report issued by us under the Companies Act, 2013 for the year ended 31st March 2015 to 31st March 2017 and (c) Material Uncertainty Related to Going Concern paragraph in audit report issued for the year ended 31st March 2018 to 31st March 2021 and limited review reports for the quarters ended 30th June 2018 to 30th September 2021. Our conclusion / opinion was also not modified in respect of above matter in earlier quarters / financial years.

Emphasis of matter

6. As stated in note 4 to the Statement, the Company's business was dependent on the commencement of mining operation by its holding company. However, during the F.Y. 2014-15, the Hon'ble Supreme Court had passed an order cancelling coal block allocations of various companies including the holding company. Consequently, there are no business operations in the Company. The Company is looking for another project. Also refer para 5 above for our comments on material uncertainty relating to going concern.

Our conclusion is not modified in respect of this matter.
